

ADDENDUM NO. 2

SENIOR CENTER EXISTING COMMERCIAL KITCHEN EXPANSION
GRAHAM COUNTY, NORTH CAROLINA

This Addendum No. 2 is issued this **16th day of May 2023** to all parties interested in submitting a statement of qualification package for the project entitled “EXISTING COMMERCIAL KITCHEN EXPANSION”. This Addendum No. 2 becomes a part of the RFQ Documents, and its receipt shall be acknowledged as follows:

Respondents shall acknowledge receipt of this Addendum by including its number and date with their statement of qualification package.

PLEASE NOTE THE FOLLOWING ITEMS:

The following questions have been received, and answers are provided below:

1. Q: There was mention of a new backup generator will be installed but I do not see that listed on the RFQ. Will that be included in this project?
A: A back-up generator is intended to be included in the scope of work once an A/E firm is selected. The firm will be selected based on qualifications, so it was determined the generator could be added after the county began working with an A/E firm.
2. Q: Civil Engineering will be needed for the site work, but I do not see that service noted in the RFQ. Will Graham Co. retain a Civil Engineer, or will I need to include that scope on my team?
A: It is intended that the Civil Engineering would be included in the A/E Firms scope and if needed can be mentioned in section V. Evaluation Criteria under item No. # 3 Project Understanding and Delivery. Basically, the same as above can be discussed with the selected A/E firm.

RFI’S: DEADLINE FOR RESPONDENTS QUESTIONS WAS FRIDAY, MAY 12, 2023, by 5:00 pm local time.

STATEMENT OF QUALIFICATIONS (RFQ) DUE: WEDNESDAY MAY 17, 2023, by 5:00 pm local time.
