

Continued Meeting 4/26/2007

The Graham County Board of Commissioners met Thursday, April 26, 2007 at 2:00pm in the Office of the County Manager at 12 North Main Street, Robbinsville, NC. Present were Commissioners Billy Cable, Jerry Sherrill, Raymond Williams and Eugene Trull. Commissioner Cody was absent. This meeting was a continuation of the April 17, 2007 Regular Board Meeting. Vice-Chairman Cable opened the meeting.

1. Melody Adams, County Planner, closed the bid process at 2:00pm and no other bids could be accepted for the Graham County Park Improvements. Ms. Adams stated that she had received one bid from Phillips & Jordan. Ms. Adams stated to the Board that they did not have to be at this meeting because it is not a County Act.
2. Commissioner Williams stated that when bids are opened he felt that the Board should be present for the opening of the bids. Commissioner Cable stated that all bids should be held in the County Manager's Office until time of the bid opening.
3. Ms. Adams stated that there had been 4 Plan Holder Companies that had called McGill & Associates and they were P&J, AGRR Corporation, Construction Logic, Inc. and Alpine Construction Co. The only company that submitted a bid was P&J. Since there was only one bid the bid was returned to P&J Representative and was not opened. You have to have more than 1 bid to open. The Graham County Recreation Park Improvements will be readvertised and will probably be ready to open the end of June.
4. Commissioner Williams stated that he had received two complaints on EMS bills. The parents stated that their children had not been transported. The children were playing little league sports. Commissioner Cable made the motion to table this matter until the next Board Meeting. Commissioner Trull seconded this motion. Vote unanimous.
5. Commissioner Cable made the motion to adjourn the meeting. Commissioner Trull seconded this motion. Vote unanimous.
