

Budget Workshop June 7<sup>th</sup> and 8<sup>th</sup> 2007

The Graham County Board of Commissioners met on June 7<sup>th</sup> and June 8<sup>th</sup> for a Budget Workshop. The discussions were on a range of topics. The Board talked at length about the revenues and the overall spending projected. County Manager Wiggins advised the Board that the millage rate to balance the budget would need to go to around .64 cents to balance the budget at this point. The Commissioners gave some instruction to the County Manager to make some further changes to the proposed budget and to see if the millage rate can be reduced further and to come back on the meeting of June 15<sup>th</sup> and bring the final document for consideration at that time.
